## THE PEACOCKS @ UPLAWMOOR SINCE 1992

We are delighted to be welcoming you back after yet another closure. In light of the new restrictions we will be open **every day** from **10 am** serving teas & coffees and our new brunch menu, then our full main menu until we have to close at 6pm! Unfortunately for some unfathomable reason we are not permitted to serve any alcohol – unless you are a resident and you drink in your bedroom or you order takeaway food and purchase alcohol to drink off the premises—in unregulated surroundings—yes I know!!!

Anyway we have a large choice of soft drinks, no alcohol wine/beers, teas and coffees please just ask for our current selection The rest of the rules remain unchanged --we would prefer booking in advance of arrival as capacity is reduced, at present all adults must wear face coverings when moving around the hotel, we request that you stay in your allocated seating and please do not move the furniture. We will provide table service so there is no need to approach the bar at any time. The toilets within the lounge are available for your use but with a maximum of 2 persons at a time, during busier periods we will be operating a “tables back” within 2 hours.

**Thank you for choosing the Uplawmoor**
