We are delighted to be welcoming you back and hope you are safe and well under the current restrictions.

If at all possible we would prefer booking in advance of arrival as our resources are reduced and appreciate your understanding whilst we regain our stability whilst keeping the best & safest experience for our staff and customers. As the restrictions have almost been fully lifted there are now no regulations on numbers or households but we are still legally obliged to take all **track and trace** details and we must all still wear **face coverings** when moving around the hotel.

We will provide **table service** so there is no need to approach the bar at any time. We request that you stay in your allocated seating and please **do not** move the furniture. During busier periods we will be operating a **“tables back”** within 90 minutes policy The toilets within the lounge are for your use plus **a disabled toilet & baby changing** located opposite the reception area.
